Current Family Enrollment

Dear Families,

It's time to start thinking about the 2020-2021 school year! Believe it or not, enrollment begins now!

If you are considering enrolling your child again in the next GICNS school year, we want to offer you a **Current Family Enrollment** period, from now until January 31st. This will give families of our current students the opportunity to send in their application and secure their place for next year, before enrollment is opened to the public. **Open Enrollment** begins on February 1st. From this date on, enrollment will be open to everyone and currently enrolled students will no longer be guaranteed a place.

PLEASE NOTE: Because enrollment is based on a first come first serve basis, applications **MUST** be mailed, as we will form the class list on the postmark date. After the allotted slots are filled, a waiting list will be formed. If you postmark your application by January 31st, you will be guaranteed a place in the 2019-2020 MWF class, but once open enrollment begins there will be no guarantees. Please take advantage of this opportunity to ensure your space next year and remember that even though you are currently enrolled in our program, you still must mail in a new application for next year's class.

Current Family Enrollment: Now- January 31st

Open Enrollment: February 1st-February 15th

Thank you,

The Grand Island Cooperative Nursery School Board & Staff
