

GICNS PARTICIPATION REQUIREMENTS

During the year, each family is required to participate in 3 different areas of commitments. Participating in the classroom, participating in our predetermined fundraisers, and participating in a committee or board position throughout the school year. These 3 different commitment requirements are described below. Most tasks, besides being a Board Member can also be completed by someone in your family, extended family, or friends in your place.

Classroom Participation

Each family is required to participate in their child's class on a rotating basis. You will receive the calendar a month ahead of time with your participation dates. Participation will be scheduled based on the availability you provided in the enrollment packet. If you are unable to participate on your given date after the calendar is distributed, it is your responsibility to find someone to cover for you.

Committee Participation

Each family is required to participate on one of the following committees. Commitments vary and the tasks for each are very important to ensure our school runs smoothly. You can learn more about the specific duties for your committee by speaking with one of the board members or teachers.

- 1. The Board:** Assuming a role on the Board
- 2. Equipment:** Exterior maintenance & toy cleaning and maintenance
- 3. Snack:** purchase classroom snacks

- 5. Event Chair:** Chair for events such as Winter/Christmas, Family Fun and the End of the Year Picnic
