PARENT PARTICIPATION AGREEMENT

A refundable participation fee of $100 is due by April 1, 2025. If you complete the participation requirements below, this amount will be credited towards your final tuition payment. If your requirements fall beyond the final tuition payment, your fee will be returned once your requirements are fulfilled. If you do not complete the requirements, this will be a nonrefundable fee.

As a condition of enrolling a child in Grand Island Cooperative Nursery School for the 2025-2026 school year, the parent or guardian, whose signature is below, agrees to all of the following:

1. Actively participate on a committee or on the Board of Directors.
2. Participate in all required fundraisers, and give time and effort toward the success of all fundraising projects/events.
3. Assist the teachers in the classroom on your scheduled parent participation days. If you are unable to attend for any reason on a scheduled date, you must find a replacement or switch with another family and contact our Participation Coordinator to make note of the change.

I understand that if I do not fulfill the above responsibilities, my $100 will not be refunded. If I satisfactorily complete the requirements above, the $100 will be credited toward my April tuition payment. If the fundraiser you volunteer for falls after the due date of the final tuition payment, your participation fee will be returned to you after the fundraiser.

If you withdraw your child before the start of the school year, your participation fee will be refunded.
